<p><b>Your Finished Piece:</b> Due to the extensive use of overdyed / variegated hand dyed threads, each finished stitched piece will have its own unique look.</p> <p><b>Working with overdyed / variegated floss:</b>          When working with variegated threads, one of two methods can be used: <b>1/</b> the English method in which each cross stitch is completed on its own, or <b>2/</b> if doing the sewing method, stitch three stitches and then go back and finish these three. Then stitch the next three, and so on.... For the solid overdyed threads you can use the quicker sewing method.</p> <p><b>Washing:</b> Anytime you are using overdyed or variegated floss check the labels for any special washing/ soaking instructions.</p>	

\*Note: where 2 colors are listed please use one strand of each.
